Help us raise £20,000 for Winston's Wish, a charity that gives hope to grieving children through our Beach2Beach Charity Bike Ride

Giving hope to grieving children

Our Beach2Beach challenge takes place in June, 2019 over 20 riders will cover 400 miles in 4 days from Bournemouth Pier to Blackpool Tower.

We aim is to raise **£20,000 for Winston's Wish** which will not be easy. We are not charging the riders to take part but have asked them to raise as much money as possible for our chosen charity.

Sponsorship opportunities:

To cover the cost of the event we need your help!

£750 will get your company logo on our cycling kit and all communications sent out. Logo locations will be random on the kit. There are 14 spaces.

£1250 will get you sole sponsorship of the water bottles with only your logo and also your logo on all communications sent out.

Support opportunities:

There other ways to be involved and to help the event be a success, we require:-

- 3 Vans needed for use as support vehicles
- Drivers wanted

Your company logo on the cycling kit **£750**

Sole logo sponsorship of water bottles **£1,250**

Want to take on the challenge yourself?

There is still room for two more cyclist to take part in either riding all the distance or to take part in individual days however. We do need final numbers confirmed by Friday 15th March **so get in touch now.**
